

SILVERLAKES

COMMUNITY ASSOCIATION, INC.

September 1, 2021

Dear Silverlakes residents,

On August 31st at 7 PM, a meeting of the SilverLakes Voting Members was held to vote on obtaining a construction loan for a community clubhouse.

The meeting was attended by over 90% of the voting members representing the SilverLakes Community neighborhoods. The voting results were in favor of not obtaining a loan to build the community clubhouse.

These results bring this proposed plan to a close. We thank everyone who responded to the resident survey, and all of the Voting Members for being the voice of their neighborhoods.

Sincerely,

Your SilverLakes Board of Directors
