

The Commemorative Cove is Open

The SilverLakes Community park officially opened last month. It is an area called the SilverLakes Community Cove dedicated to acknowledging the environmentally dedicated effort made to reclaim a desolate strip mining limestone quarry and turn it into the beautiful neighborhood of SilverLakes.

The area is meant to remind everyone that it is up to the residents of SilverLakes to continue the legacy, strive to keep the grounds, parks and lakes pristine and to preserve the Water Fowl Habitat Designation that was awarded to SilverLakes by the State of Florida Bureau of Mine Reclamation in 1999.

Santa's Paperwork is Due

Santa's elves have already begun helping out in the workshop and they also know that now is the time to get Santa's schedule in place. He so wants to speak to the boys and girls who are Pembroke Pines residents ages 10 and younger and can't wait to do so.

Children will receive a personal call from Santa all the way from the North Pole, Tuesday, December 14 through Wednesday, December 15, 2021 between 6 p.m. and 8 p.m. To ensure this happens without a hitch, please visit www.ppines.com to download the form, complete and mail it back to the Special Events office.

Santa needs the forms by December 1st. For more information, please call the Special Events Office at 954-392-2116. This is a free program for participants. A reminder to parents, this is not a gift service but rather an opportunity for children to enjoy the holiday in a fun way.
