Happy Anniversary SilverLakes!

Thank you to our generous sponsors:

Residents should have received a complimentary magnet in the mail with the last quarterly statements. Thank you to the BOD and thank you FPI for sponsoring this helpful resource!

More 30th Anniversary celebrations will continue through the end of the year!

Read stories about Original SilverLakes Owners on the ABOUT page of SilverLakes.net, under SilverLakes Legacy. See the shared photos and stories on why they chose SilverLakes!

The BOD has approved a new seating area installation in the SilverLakes Community Park. This area commemorates a Residential Development Award SilverLakes received in 1999. We hope residents will enjoy this new addition. It should be completed soon! Thank you to Everglades Environmental Care for landscaping the area and to Caro Electric for the lighting. The ribbon cutting for this beautiful new addition to the park is coming soon!

Please continue to follow CDC guidelines and county/local guidelines.

Wishing everyone a Safe & Healthy Fall!

President's Corner

Dear SilverLakes Residents and Neighbors,

As we begin the new school year, we would like to wish all our students and families a healthy, productive, and successful return to the academic environment. However, living in the state with the highest number of COVID-19 cases in the country, and with an unprecedented number of hospitalizations as a result of the Delta Variant, we remind everyone to please do all that you can to keep our children safe, by encouraging adherence to CDC guidelines for social distancing and social gatherings. Also, we ask all residents to please stay vigilant to the increased number of children on our roads and walkways, particularly during the hectic first few weeks of school.

Additionally, we are happy to announce the opening of a new area within the SilverLakes community park: the SilverLakes Commemorative Cove. It is an area dedicated to acknowledging the environmentally dedicated effort made to reclaim a desolate strip mining limestone quarry and turn it into the beautiful neighborhood that SilverLakes is today. The area will remind everyone that it is up to us, the residents of SilverLakes, to continue this legacy. We should strive to keep our grounds, parks, and lakes pristine and to preserve the Water Fowl Habitat Designation that was awarded to SilverLakes by the State of Florida Bureau of Mine Reclamation in 1999.

Lastly, the Roadways Repaving Project has officially entered its final stages with the repaving of all but 4 out of 39 communities completed. These last 4 communities are scheduled to be completed well in advance of the holiday season. Additionally, the Association has begun the maintenance and upkeep of all SilverLakes swale trees, following a plan meticulously laid out by one of the state's leading arborists. Any homeowner interested in learning more about the current status of the plan is encouraged to contact the president of their respective community.

On behalf of all of us at the SilverLakes Masterboard, we wish all our children a safe 2021-2022 school year and continued success in their academic endeavors.

Robert Garcia, President
SilverLakes Community Association

Thank you to Boy Scout Troop #441, Girl Scout Troop #11158 and Boy Scout Troop #441 for selling snacks at the Snack Shack this summer!

Thank you to Boy Scout Troop #441 for their hard work installing our 30th Anniversary Banners!

Important Resident Reminders:

Please lock your vehicles and doors every night. Do not leave valuables in your car!
